

TEEN MISSION PARTICIPANT CONTRACT

As a participant of TEEN MISSION, I realize that I am not just representing TMJC and my church, but I am representing the Lord Jesus Christ Himself. As such, I will do my very best to follow these rules, in the realization that they are for my safety and the safety of others:

- I realize that I must attend for the entire week and remain with my designated family group while on sites or games. (Free time and home base time, you may spend with any TMJC participants ... with the exception of 'lights out' of course.) I will not leave without the knowledge of the adult leadership of TMJC.
- **I agree to follow the law as listed for one my age:**
 - I will not drink, sniff, or consume illegal substances including drugs of any kind, (illegal or prescription meds that are not my own or tobacco).
 - I will hand in my prescription and over the counter meds except those needed for emergent illnesses (asthma inhalers, epi-pens or glucose)
 - I agree not to give anyone medications, (even over-the-counter meds like Tylenol)
 - I will not touch anyone in an inappropriate or sexual way or participate in sexual liaisons while on TMJC (and hopefully none otherwise) or make comments that might be considered sexual harassment.
 - I will not break curfew, Rensselaer's or TMJC'S
 - I will not do anything that may injure myself or others
 - I will follow the law even those not listed here.
- **I will hand in ALL my cell phones and electronic devices** (Each family head will have a cell phone for emergencies. All phones will be returned on Saturday after clean-up) (Hidden phones display a lack of integrity and are grounds for expulsion; please don't make us use this rule!)
- **I will act in a way that is both Christian and moral:**
 - I will follow directions without argument (As long as they do not infringe on the law, the rights of another or are harmful or hurtful to myself or anyone else.)
 - I will treat others with respect and will do nothing to humiliate others.
 - I will wear appropriate clothing and changed if asked (No short-shorts, low necklines, strapless shirts or see-through tops are allowed at TMJC- Please see appropriate clothing for worksites)
- **I will try to fulfill my responsibilities:**
 - I will put in my fair share of the work and not expect others to do my work
 - I will not participate in gossip, backbiting or put-down humor
 - I will, with all my power, keep my attitude from being negative and complaining.
 - I will try to help without being asked and perform all functions to the best of my ability
 - If I don't know how to do something, I will ask.

I, _____, (the participant), **have read all of the conditions** and agree to abide by this contract. I realize that any gross misconduct, willful deceit or continued insubordination will result in my expulsion from TMJC.

I, _____, (parent/guardian), **have also read this contact and agree** to the terms and conditions. I give my permission for him/her to attend TMJC.

I give TMJC permission to post picture(s) of myself &/or my child on social media.
